An "Absolutely" great indoor facility

This past season West Valley found a new home for indoor training at Absolute Airport Location.

Indoor sessions from January through April were offered as part of our regular season registration.

The perks of being able to field on turf rather than gym floor, with actual game balls instead of indoor softer balls, helped our players be primed and ready for the outdoor season!

Turf!

Fielding space!

Batting Cages!

Stay tuned!

Coming October 2025 is West Valley's Winter Training Clinics
